TERMS OF SALE

All coins and bills guaranteed genuine.

New bidders or customers sending in bids for the first time must positively give first class reference, bank reference preferably, or else send a deposit of at least 25% of the total amount of bids. Otherwise, their bids will not be accepted; application of such deposit will be made upon successful bids; the seller reserves the right to demand payment upon successful bids before delivery in his sole discretion. To those known to me who have established credit, a reference or deposit is not necessary and purchases will be sent out promptly after the sale. In appreciation of this courtesy the purchaser remits promptly.

Collectors who make unlimited bids will get the lots at 5% above the highest actual bid entered.

The terms are prompt cash settlement after sale, and no time given. Collectors who are not certain that they can pay promptly are asked not to bid. The coins in the sale are the property of my clients, and I must make prompt settlement for them.

Remit by money order, draft, check, or in any way most convenient. **Stamps accepted for accounts that are below one dollar only.**

Coins will be bought below your bids where other offers permit, as this is competitive bidding, executed in good faith.

The usual charge of 5% will be made for executing your bids, and for packing and sending out material. No charge made on anything not actually purchased. **This fee is very low for the superior service I expect to give you.**

Receipted bills are not sent out after your remittance as this is unnecessary. **Your check, draft or money order itself is a receipt. However, if a 3-cent stamp is enclosed we will send receipt.**

Be certain that you bid on the lot you wish to buy. We will correct errors and adjust claims, but you should not expect us to pay for **your mistakes. Be careful** in making your bids. Be sure that you bid on the lot you wish to buy, and **at so much per piece.**

Bids must reach me by the morning of the sale. Mail them in time so as to avoid disappointment. At each sale some bids arrive too late to be executed.

All bids are entered as received and lots distributed to the highest bidder without reserve. When two or more bids are the same, and there are no higher bids, the first received gets the lot. When

two or more unlimited bids on a certain lot are sent, the first one received gets the lot at a 5% advance over the highest actual bid.

Between the seller and buyer, my position in describing the condition of coins and bills has been neutral. My classifications are generally considered to be conservative, by the collecting public.

It is easy to bid by mail. If you do not know how much to bid on any items, write me giving numbers in catalog and I shall be glad to inform you as to values. It is useless and a waste of time to make low bids that have no chance of success. I sincerely hope that each collector acquires some nice lots from this sale that give him a real thrill and joy of satisfaction.

Please bid by the piece unless stated to bid for the lot. Thus, if there are 12 pieces in a lot and you wish to pay $6 for the lot, then bid 50c. At each sale someone bids by the lot. Don't do this—bid by the piece.

M. H. BOLENDER

ORANGEVILLE, ILLINOIS

COIN CHATTER

The Markus Collection. The first portion of the collection of the late Charles Markus, of Davenport, Iowa, was sold Nov. 28. Prices realized were excellent, and we still have a few price lists left at $1 each. We thank the buyers for their prompt remittance. Only **eighteen days** after the date of the sale, Pauline Markus was handed her proceeds **in full** at her home in Davenport! Is that not good service? Mrs. Markus wishes to state that she is delighted with the good results obtained, and is entirely satisfied with the sale of the first portion of the collection. The Nov. 28th sale totaled $6,400.00. The six $50.00 gold pieces sold at prices from $175 to $300 each.

Old Large Size U.S. Notes. The balance of the Markus collection is sold in this sale, except a few lots to follow later. Here we have the large and varied paper money collection, large size notes. Now is your chance to fill in your collection with varieties you don't have, and with specimens that were owned by one of our leading collectors of these. Some of them are becoming very difficult to find.

Now for Business. Now that election is all settled for a time, perhaps business won't suffer so. The reason that our price lists of the October sale were so very late, thus causing many collectors to write in about them, was due to the rush in print-shops getting out election printing for the candidates. We are sorry for that delay, but then I suppose we just have to have governors and presidents!

Please bid on the Right Lot Please! I wrote about this in "Coin Chatter" in my 103rd catalog. But at each sale someone again makes the mistake and bids on the wrong lot. Most of the collectors are gentlemen, and they accept and pay for the lot, because the mistake was their own, and they are responsible persons. But in October, one collector bid in a $75 coin fair and square. Nothing

was wrong with the coin, and it was well worth more money. Only he said he did not mean to bid on it. He refused to take up and pay for the lot. We consider such a person entirely irresponsible, and will not again entertain bids from him. I have bid at practically all coin sales over a period of twenty years, and have bought thousands of dollars worth of coins on all markets of the world, and I have never yet bid on a wrong lot, and don't expect to. It is unfair to ask others to pay for your mistakes. Our statements are generally correct as rendered.

Last Summer Abroad. On Thursday, the 18th of June, at high noon, the band playing stirring music, crowds on deck, waving hands, farewells, flowers and bouquets, ringing bells, steamer whistles, sturdy tug-boats, busy crew, clicking cameras, signals of tugs, band music overture, and Star Spangled Banner, I took passage on the Norwegian-American liner Stavangerfjord from Brooklyn for Bergen, Norway. As the ship moved off slowly, we retired to our staterooms and prepared for luncheon. What a beautiful dining salon! And what an abundance of food! What is all this food stacked on this long table in the center? Why, the people are helping themselves, I do believe! Well, here goes. I grab a plate and fork, and get my initiation in the Scandinavian Schmirgisbord. (To be continued.)

Note—In future catalogs Mr. Bolender will relate his experiences on the ocean, and in ten countries of Europe last summer, including his many numismatic adventures there.

For 48 years its monthly visits have been a source of inspiration and a stimulus to all grades of collectors from the beginner to the advanced student.
